

**Mr. Jeff Miller**

Jeffrey A. Miller is Assistant Vice President, Sinclair Community College, Workforce Development.

Jeff has 20 years of management, business services, operations, and contract and procurement experience.

In his role with Sinclair Workforce Development, he creates and implements effective workforce development strategies to increase the division's reach and responsiveness to regional employers and individuals' needs.

Jeff's strong partnerships with internal and external constituents allow him to leverage and develop intellectual capital to meet and exceed client demands, as well as to continue to grow the division's non-credit offerings.

Jeff also ensures continuous process improvements within the division utilizing such techniques as Lean and Six Sigma.
